Airport Medical Offices

an affiliate of Winthrop-University Hospital

Care you need. Convenience you want.
Quality and compassion you deserve.

Onsite at JFK, LaGuardia and Newark Liberty International Airports

AMO... Your Destination for World-Class Care

Your journey to a lifetime of exceptional healthcare begins here at Airport Medical Offices. As the healthcare services leader at JFK, LaGuardia and Newark Liberty International Airports, AMO is the premier provider of primary care, internal medicine, occupational health, physical therapy, orthopaedics, pain management, urgent care and wellness services. We make comprehensive healthcare services accessible to the airport and surrounding communities, employees, travelers and visitors with extended and weekend hours, walk-in flexibility and free parking at JFK and Newark and free shuttle service at all locations.

We also offer 24 hours 7 days a week workers compensation and drug and alcohol testing at our JFK location.

And, the AMO affiliation in New York with the Winthrop-University Hospital extends the reach and continuum of care to meet virtually any and all medical needs of our patients.
